Monday, Wednesday, Friday

6:00 PM - 8:00 PM

Consistent schedule • Small class sizes • Personal instruction

THIS PROGRAM IS IDEAL FOR YOU IF:

- ✓ You want a hands-on career in healthcare
- ✓ You're starting a new career or changing paths
- ✓ You want to gain the skills employers are looking for
- ✓ You want ongoing practice to perfect your technique
- ✓ You're ready to invest in your future

WHAT YOU'LL LEARN

- ✓ Phlebotomy Basics
- ✓ Venipuncture Procedures
- ✓ Patient Communication
- ✓ Safety & Infection Control
- ✓ Capillary Punctures
- ✓ Professionalism
- ✓ Equipment & Supplies
- ✓ Specimen Handling
- ✓ And More!
- ✓ Order of Draw
- ✓ Lab Practices

HANDS-ON TRAINING (REQUIRED)

During your hands-on training, you will practice the following:

- Venipuncture Procedures
- Capillary Punctures
- Venipuncture using Manikin Arms
- Lab Practices
- One-on-One Instruction & Support
- Any Questions You Want to Review

Clinical training is done in the classroom.

CERTIFICATION & EXAM ELIGIBILITY

Upon successful completion of the program, passing all tests, and attending all required clinical training, you will receive a Certificate of Completion and be considered a Certified Phlebotomy Technician.

Graduates are eligible to apply to take the AMT Registered Phlebotomy Technician (RPT) certification exam after meeting the applicable requirements. Certification is strongly recommended and preferred by employers.
